

RECOMBINANT COLLAGEN ANTI-WRINKLE REPAIR SPRAY

Awaken youthful, healthy skin. Softer, smoother, revitalized.

A Key Breakthrough.

Anti-Wrinkle, Restore Barrier Strength, Hydration, and Nourishment.

This next-generation essence emulsion combines our exclusive Recombinant Human Type III Collagen with synergistic ingredients. It optimizes the skin barrier—enhancing its inherent strength and stability. It helps significantly strengthen the skin's first line of defense against external aggressors. Locks in moisture and soothes the skin, minimizing redness. The skin feels nourished and smooth, with pores appearing smaller. Reveals a stunning radiance.
